MARKET INSIGHT

The ₹103 Trillion Credit Gap

India's MSME sector faces a massive ₹103 trillion credit gap, with only 15% of 70 million MSMEs accessing formal credit. The unsecured business loan market is experiencing unprecedented growth at 19.5% CAGR, reaching ₹9.7 trillion by 2025.

We provide expert, personalized consultancy to navigate the Indian lending landscape, ensuring your business secures optimal financing for its unique needs.
